

“Made by Hand” at Postcard Teas in London

Kanaami Tsuji joined an event called “Made by Hand” held by Postcard Teas in London on 15th and 17th September.

We thank all visitors and customers very much for visiting us at the event.

It’s always our pleasure to introduce our crafts and share the beauty in tea culture.

We look forward to another great opportunity to cooperate with our favorite tea shop and see you all again.
